

## NOTICE OF UTILITY TARIFF FILING

The REGULATORY COMMISSION OF ALASKA gives notice that INSIDE PASSAGE ELECTRIC COOPERATIVE, INC. (IPEC) has filed a tariff revision (TA159-240). In this filing, IPEC is seeking approval of a 7.96 percent interim and refundable and a 10.62 percent permanent across-the-board increase in energy and demand charges.

The requested permanent rate increase is based on a revenue requirement study for test year ending December 31, 2008. The study showed a revenue deficiency and a required increase in total operating revenues. The requested interim rate increase will be used to ease the impact of the full rate increase to IPEC customers.
